"Branded!" The J Brand Technology Update

Seminars at

The Telecoms Show 2009

This year's seminar sessions have been confirmed and will be hosted by Network Communications News (NCN) and The Telecommunications Infrastructure Advisory Board (TIA-B).

TIA-B represents the combined interests of the Fibreoptic Industry Association (FIA), the Information Technology Electronics and Controls group of the Electrical Contractors' Association (ECA-ITEC) and the user community represented by the CMA. The objective of the TIA-B is to produce information to suppliers and users of telecommunications infrastructures, in the widest sense, to allow them to make best use of existing and developing standards while implementing the most flexible and cost effective infrastructure solutions.

Speakers will include TC Tan of Comm-Scope, Carrie Higbie of Siemon, Ken Hodge of Brand-Rex, Rob Cardigan of Nexans, Deri Llewellyn-Davies of Corning, Liam Newcombe of the British Computer Society, Rajesh Sinha of ECA ITEC, Mike Gilmore of e-Ready Building, Mike Daly of HSBC and Richard Clark of Raritan.

The event aims to attract professionals involved in the design, specification, installation and use of IT infrastructure products and solutions. Download the complete seminar schedule via the following link:

The Telecoms Show 2009

Now in its third year, Telecoms 09 has firmly established itself as Europe's leading event for the network infrastructure industry. Following the success of last year's event, Telecoms 09 will once again be held at London's Olympia 2 from the 23rd to the 24th September.

Telecoms 09 offers a full schedule of seminars and an exhibition, that will attract the industry's top "movers & shakers" and offer those involved in the networking industry a chance to meet a range of manufacturers across a range of product sets including: data centre solutions, IP security, wireless networks, fibre and copper cabling, VoIP and many more!

To register for the free seminars and exhibition, simply click in the Pre-Register link below:

J Brand on the ECA Stand

ECA ITEC has a stand (No315) and Tim Oldershaw, J Brand's Technical Director, will be on hand to discuss the latest developments in the telecoms world, including standards, education and training and other important issues in the Telecoms Industry.

Tim Oldershaw, Chairman of BSI Telecoms Installation Standards Committee TCT/7/-/2, has been asked specifically to advise visitors on what is on the Telecoms Standards horizon and give personal technical advice.

If you want to arrange a specific time to meet with Tim (*he may even buy you lunch!*), click on the link below:
